COVID Revision

Last month, we asked for your views on wearing face masks, social activities, refreshments at Finningley, and taking wine from the single chalice.

The vast majority were in favour of having refreshments at Finningley, and starting up social events.

Only 3% of people would be happy to share the common cup/single chalice again.

However, making face masks a personal choice, particularly at Finningley, was far from clear.

We had hoped that by pausing for a couple of weeks the national picture may have given us a clearer direction, but this hasn't been the case.

Therefore, both PCC's will be considering the options in the next week, and so for this weekend, things will remain as they are, and any revisions will now be from Sunday 21st (we're not in the buildings next week)

The **BIG** Christmas Quiz

Saturday 4th December in Finningley Church

It's time for some responsible social activities and we aim to kick these off with a Big Christmas Quiz with Fish and Chip Supper. (We will have COVID protocols in place)

We will have a limited number of tables, which will be available to 'purchase'. Up to a MAXIMUM of 6 people, of your choosing, can sit around a table to make up a team. This is to ensure adequate space and that everyone is comfortable with those around them.

Fish & Chips will be individually wrapped from Auckley Friary, and we ask that you bring your own salt 'n' vinegar and cutlery please.

Further details will be circulated soon, but if you know you'd like a table for a team then please talk to Carol Reeves as soon as possible.
