## Help Keep the Rambling Rector Full of Life!

The *Rambling Rector* continues to be a valued way of sharing news, stories and information across our parish. However, its success depends entirely on contributions from you, our readers.

Do you have news from a church group, details of an upcoming event, photographs, a story to share, a celebration to mark, or something interesting happening in our community? We'd love to hear from you.

Content can be sent at any time to the Parish Office for inclusion in future editions. Every contribution, large or small, helps make the newsletter a richer reflection of parish life and keeps everyone connected with what's happening across our church family and community.

Thank you for helping make the *Rambling Rector* something that truly belongs to all of us.

## Great Big Green Week – 6th–14th June

Next week is Great Big Green Week, a chance to celebrate and care for the world God has entrusted to us. Whether it's recycling more, reducing plastic use, planting pollinator-friendly flowers, or simply enjoying the beauty of nature, every small action makes a difference.

There are no local Green Week events planned in our parish, but why not put this date in your diary?

**Saturday 20th June, 11.30am–3.30pm – Bawtry Town Hall**  
**Re-use, Recycle Extravaganza** organised by Bawtry WI.

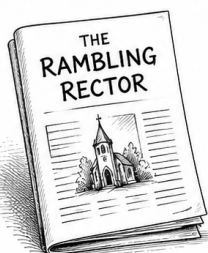

Browse new and pre-loved clothing, enjoy craft demonstrations, refreshments, a cake stall and raffle, and pick up ideas for more sustainable living.

Small changes can make a big difference – why not get involved?

## YOU SPOKE, WE LISTENED

100%

want the  
*Rambling Rector*  
to continue.

73%

would prefer it  
to be published  
monthly rather  
than weekly.

83%

would like it  
available both  
online and in print,  
making it accessible  
to as many people  
as possible.

82%

would like a  
full month's services  
and Bible readings  
included, rather than  
just the coming  
week's details.

Readers value the *Rambling Rector* and want it to remain an important part of parish life. The preferred format is a monthly publication, available both in print and online, containing comprehensive service and Bible reading information for the month ahead.

The overall picture is one of strong support for a newsletter that is practical, easy to keep and refer back to, and that helps people stay connected with worship, church life and the wider parish community.

Thank you to everyone who responded.
